RUTLAND – Rutland Mental Health Services

- For more information: <http://www.rmhsccn.org/>, (800)775-1000, (802)775-2381
- Rutland Mental Health serves towns in the Rutland county.
- Rapid Response - crisis stabilization services are offered in the office and community for the purpose of providing follow-up stabilization supports to children/families with mental health issues following a crisis assessment through the RMHS Crisis Team. These services are short-term, intensive, and focused on the immediate problem. When additional services are needed, the child is typically referred to outpatient services for on-going support. In situations where a child is hospitalized, Rapid Response services can be instrumental in discharge planning and ensuring access to immediate supports upon the child's return to their home.
- Adolescent Outpatient Substance Use Disorder Treatment provides services for children and adolescents needing support around challenges related to self-medication and substance use. Substance use and mental health services are integrated throughout the program, which anticipates a very high degree of co-occurring issues among adolescents.
- Respite Services provides respite services for children in Rutland County who are engaged in other services at RMHS, and whose family system would benefit from brief separation (one to four hours) of the child from the home environment. We also offer short-term respite services for families who need this extra support to help them get through a crisis period.
- School-Based Programs offer contracted clinical and behavioral support services to schools in Rutland County for the provision of on-site mental and behavioral health services. Schools have the option of contracting for a Clinician, Case Manager or Behavioral Interventionist. Through these contracts RMHS is able to provide a more accessible intake

process for students and develop more active collaborations with families, schools and treatment teams.

- JOBS Program (Jump On Board for Success) The JOBS Program is an innovative supported employment and intensive case management service that targets eligible youth, ages 16 through 21, whom are considered to be at-risk in the community.
- Youth Transitional Services (YTS) is focused on the empowerment of youth in making healthy life choices and reaching self-directed goals through accessible, community-based treatment services.
