

2025 ECONOMIC IMPACT OF VERMONT FAIRS

This past year was a challenging one for our fairs – Franklin County Field Days was not held due to property issues and Bradford Fair slipped from 3 days to 2; also, despite our best hopes, the Farm Show did not return. Good news continued despite those missing events:

- Exhibitors were up to 4,000 statewide
- Volunteer numbers dropped by almost 130 people BUT those folks donated 7200 more hours over 2024
- Total yearly budget – mostly spent locally – was \$9,781,195, with \$350,000 on marketing and sales tax from amusement rides totalling \$96,114.
- Money spent on premiums remained steady
- 4 fairs accounted for increased attendance of 11,000

2026 DATES FOR VERMONT FAIRS
