(b)

\* \* \*

(6) foster strong relationships between schools and the broader community and increase parental and community engagement at the school level;

(7) facilitate operational and educational efficiencies and effectiveness through greater flexibility in the management of resources;

(8) improve affordability and stability for taxpayers; and

(9) increase accountability and transparency through greater consistency in educational governance structures.

(c) On or before December 31, 2015, the State Board of Education, in consultation with the Secretary of Education, shall adopt no more than two performance measures for each policy goal identified by this section.
