

Hello,

I am writing to you to request that you VOTE NO on S.141. Vermont has no need for any of these gun control laws.

Please take note that most all gun rights advocates (and definitely myself) are carefully watching how all of you vote on this matter and we will remember your decisions come the time for 2016 elections.

You need to be working FOR THE PEOPLE and NOT FOR BLOOMBERG!

Please listen to the people and VOTE NO against S.141!

Thank You,
Joseph Crawford
